

"Would like to invite your esteemed institute for the walkin drive for our IT openings-2019 "

About MedPlus (Optival Health Solutions Pvt. Ltd.)

MedPlus is among the leading healthcare retail brands in the country today. With a network spanning over more than 1500 stores, having a presence in 7 states and over 130 cities of India, the company serves about 2,00,000 customers and fulfills over 5000 online orders on a daily basis.

Customers trust us because we provide high quality genuine medicines, source and sell a large range of products, with a good care of storage and transportation of medicines, provide the convenience of walking into air conditioned stores or ordering through net or mobile, and more than anything else give the best value for their money. The story of MedPlus is filled with hard work, determination, operational excellence, technology innovation, all guided by a vision to deliver high quality healthcare at the best possible price. MedPlus has started the new approach by providing discounts on the numerous products it sells through its retail outlets or through the online ventures .The company is constantly endeavoring to work towards its cost efficiency, thereby passing on the benefit accrued in the form of discounts to its customers.
